

ABOUT OUR SALON

Hairizona specializes in personalized hair care and aesthetics for the entire family. Our talented hairstylists provide a detailed hair consultation before any services are started. We get to know our clientele, what you want and need, and how we can execute your hair goals while maintaining and improving hair health. Our talented spa technician can help you relax and improve your confidence with any waxing needs, nail work, pedicures, facials and body treatments you may benefit from.

Hair colour, cutting and texture services, design, styling and up-do's combined with the best globalized hair care line makes Salon Hairizona one of the best hair salons Niagara Falls has to offer.

The Hairizona team is trained in the newest hair trends and hairstyles. Our team is comprised of master hair colourists specializing in balayage highlight design, modern ombre, creative colour, colour correction and more. Our beautiful Framesi hair colour line provides 100% grey coverage, long lasting and concentrated hues, in all colours of the spectrum. And for distressed or over-processed hair, we offer amazing deep conditioning and hair re-structuring treatments.

Hair texture is a crucial aspect of the best haircut for you. Our stylists utilize modern hair cutting techniques to create optimal natural movement while finding the best haircut for your face shape. We can create beautiful cuts with long layers, textured layers, choppy textured haircuts, lobs, bobs or whatever your imagination can design. By combining different cutting methods including shatter cuts, point cutting, slide cutting, we can customize your haircut to ensure it works for you when you are styling at home.

If you are planning or attending a Niagara Falls wedding, bridal parties and wedding hair are available upon request.

Special event hair can be created for all occasions. Creative up-dos, classic looks, dramatic hair, quick and messy up-dos, and simple pin-ups can be designed together, by you and our stylists.

Salon Hairizona carries a unique and salon exclusive hair care line from Italy, called Framesi, to compliment our hair services perfectly. Framesi hair products offer nourishing, re-structuring, re-building properties while they hold your style in place. With multiple lines, anyone can find the perfect cleansing and styling match for their favourite looks. You can enjoy lustre and shine with a perfect hold.

We offer email or text reminders for your appointments 48 hours in advance to make your life and schedule easier.
